

Dear Sir/Madam,

Please find attached a copy of my CV for your consideration.

I am an iOS mobile app developer with two years experience using Swift , Xcode. I have experience of publishing my own Apps on the App Store; use of various iOS Frameworks; Cocoapods and GitHub.

I am also experienced in Agile processes and I am a certified Scrum Master (PSM1).

I am self taught and I am looking to gain commercial experience and feel this role would be an ideal opportunity to take me to the next step on my journey. If am successful in my application I prepared to relocate to Bristol.

For the details of the apps I have created please look at the link provided:

If you would like me to create a demo app using Swift to show you what I can do, please let me know.

I look forward to hearing from you.

Regards

Ray Berry
